

## COMPANY INFORMATION

Top Gun of Virginia Inc. specializes in Shotcrete and Guniting Services for the Infrastructure, Commercial, Industrial and Marine markets.

We are affiliated with the following industry associations:

American Shotcrete Association

International Concrete Repair Institute

ACI

VDOT Approved Contractor #T980

PENNDOT Approved Contractor

NCDOT Approved Contractor

We are licensed to do business in Virginia, Maryland, West Virginia, Pennsylvania, Washington DC, North Carolina, and Delaware but do not limit ourselves to these markets.

Our nozzlemen are ACI/ASA Certified. Each has 1000+ hours nozzling Shotcrete and Guniting, passed a written exam and shot sample panels both wet and dry process graded by an American Shotcrete Association Examiner before being certified. We certify our nozzlemen to assure we provide a quality finished product that meets ACI Standards.

We are an American Shotcrete Association Advanced Wet-Mix Shotcrete Certified Contractor.

### **Our specialties include the following:**

1. Concrete Repair
2. Foundation Stabilization & Under Pinning
3. One Side Wall Forming – Reduces forming costs by 40 to 50%
4. Historical Façade Stabilization
5. Soil Nail Facing
6. Gabion Facing
7. Shotcrete Facing for H Pile and Wood Lagging Retaining Walls
8. Slope Stabilization – 4” to 6” Fiber Reinforced Shotcrete to stabilize slopes on site.
9. V Ditches – Fiber Reinforced Shotcrete to line ditches

10. Permanent Rip Rap Stabilization – Fiber Reinforced Shotcrete to stabilize rip rap.
11. Swimming Pools & Water Features
12. Special Projects - Domes

We work closely with Contractors and PE's who specialize in Concrete Repair, Historical Façade Stabilization, Slope Stabilization, Retaining Walls, Soil Nailing and Foundation Underpinning and can help you with the design of said projects.

We would appreciate the opportunity to quote any projects that you may be working on that require Shotcrete or Gunitite applications.

Please feel free to visit our website at [www.topgungunitite.com](http://www.topgungunitite.com) to view samples of projects that we have successfully completed.
